Connecting People in Need to Resources & Help

Special Pantry Collections in July, August & September

Will you join us in a special effort over the next three months to stock the shelves of our South Haven pantries?

Each month, we'll focus on one of the three pantries - personal care, baby, and food - and we'll ask *all* We Care churches in the South Haven area to collect items for that pantry throughout the month. We will also conduct a 'mini-campaign' each month in the wider community to coincide with the church drives. *Can you imagine the abundance for our pantries at the end of our collective efforts?*

July – Personal Care Pantry

Throughout the month of July, we're asking area churches to take up collections of personal care and household items to help us stock the shelves of the personal care pantry. In 2017, this pantry, run by Marion Abernathy and her team of volunteers at First Assembly of God, filled more than 1,700 requests from those in need of these basic items.

August – Baby Pantry

Throughout the month of August, we ask area churches to focus on the We Care baby pantry – and we're delighted that Peace Lutheran is now housing the baby pantry again! In 2017, this baby pantry ensured that 425 little ones had their basic needs met. Let's continue to help those precious children of God!

September – Food Pantry

Throughout September, we'll focus on the We Care food pantry run by John & Sue Gillette (and a amazing team of volunteers) at First Congregational Church. A critical source of food for our neighbors in need, the We Care food pantry met 3,500 requests for groceries last year. Remarkable! Let's help them continue the good work.

These lists can be found on our website (wecare-inc.org) where you'll also find a nifty new feature that we're offering to support the **Personal Care & Baby Pantries: Amazon Wish List**. Shop and purchase online – and all items will be delivered directly to We Care I.N.C. We'll take care of the rest!

Personal Care Pantry Items
