

WE CARE I.N.C.

Connecting People in Need to Resources & Help

Founded in 1982 as an ecumenical project of area churches, We Care I.N.C. is an independent nonprofit with a simple mission: to serve as a central resource, or clearinghouse, for anyone in our area who needs a helping hand. At the heart of our work are nearly three dozen church-related ministries – all designed to assist people facing an emergency, or to help fill the ongoing gap that exists for so many in our community. We also direct visitors to a wide variety of human-service agencies, organizations, support groups, and other resources in our area. Need help? Stop by one of our locations during office hours - or call with questions.
