Launched 35 years ago as an ecumenical project of area churches, **We Care I.N.C.** is an independent nonprofit with a simple mission: to serve as a central resource - or clearinghouse - for anyone in our area who might need a helping hand.

At the heart of our work are the bustling operations of nearly three dozen church-related ministries - all designed to assist people facing an emergency, or to help fill the ongoing gap that exists for so many in our community. In addition to connecting people with these ministries, we also direct visitors to a wide variety of human-service agencies, community organizations, support groups, and other resources in our area. **We Care** also offers workshops and special programs to help those we serve build a better life. Thanks to the generosity of countless volunteers and donors, every year **We Care I.N.C.** is able offer a helping hand to hundreds of children and families in need.

Though we continue to be fueled by our faith tradition, **We Care** is an independent nonprofit that **serves all people - period.** Our goal is to imitate the life and teachings of Jesus by offering love, compassion and help to all.

Do you, or does someone you know, need support? Call one of our offices for an appointment or stop in during office hours. We would be delighted to offer you a cup of coffee and a warm welcome!
